CONFLICT OF INTEREST GUIDELINES

What is a Conflict of Interest?

A Member of Council has a conflict of interest if the Member of Council makes a decision or participates in making a decision in the execution of his or her office and at the same time knows or ought reasonably to know that in the making of the decision there is the opportunity to further his or her private interest or the private interests of a closely connected person.

A financial interest always constitutes a conflict of interest. A financial interest is when the Member of Council or someone in the Member of Council's family has a controlling interest in, or is a director or senior officer of, a corporation that could make a financial profit from or be adversely affected financially by a decision of Council, a Council committee or a controlled corporation, or the Member of Council or a closely connected person could make a financial profit from or be adversely affected financially by a decision of Council, a Council committee or a controlled corporation.

Procedure for Disclosure – If Present at Meeting

1. If a Member of Council has a conflict of interest, and the Member of Council is **present** at the meeting, the Member of Council shall:
 - (a) before any consideration or discussion of the matter, declare that he or she has a conflict of interest;
 - (b) disclose the general nature of the conflict of interest and any material details that could reasonably be perceived to affect the Member of Council's impartiality in the exercise of his or her office;
 - (c) abstain from voting on any question, decision, recommendation or other action to be taken relating to the matter;
 - (d) subject to "4" below, refrain from participating in any discussion related to the matter; and

2. No Member of Council shall attempt in any way, whether before, during or after the meeting, to influence the discussion or voting on any question, decision, recommendation or other action to be taken involving a matter in which the Member of Council has a conflict of interest.
3. If the matter with respect to which a Member of Council has a conflict of interest is the payment of an account for which funds have previously been committed and the payment is the amount previously approved, the Member of Council shall comply with clauses (1)(a) to (d), but it is not necessary for the Member of Council to leave the room.
4. If the matter with respect to which a Member of Council has a conflict of interest is a question on which, pursuant to this Act or another enactment, the Member of Council, as a taxpayer, an elector or an owner, has a right to be heard by the Council:
 - (a) the Member of Council shall leave his or her place at the Council table, but is not required to leave the room; and

- (b) the Member of Council may exercise a right to be heard in the same manner as a person who is not a Member of the Council.
- 5. Every declaration of conflict of interest made pursuant to Section (1) and the general nature and material details of the declaration and any abstention or withdrawal must be recorded in the minutes of the meeting.
- 6. On a declaration in accordance with clause 1.(a), the person presiding at the meeting with respect to the matter shall ensure that the other requirements of this section are followed with respect to the Member of Council.

Procedure for Disclosure – If Absent from Meeting

Effect of Conflict of Interest on Resolution or Bylaws

- 1. If a Member of Council contravenes the requirement to declare a conflict of interest, the proceedings related to the matter are not invalidated, but the Council or other body may, within three years after the day on which a bylaw or resolution was passed or a decision was made, declare the bylaw, resolution or decision void.

Disqualification on Grounds of Conflict of Interest

- 1. A Member of Council is disqualified from Council if the Member of Council contravenes the ‘Conflict of Interest’ Declaration as required.
- 2. A Member of Council who is disqualified from Council as a result of a Conflict of Interest, is not eligible to be nominated or elected in an election in any municipality until the earlier of 12 years following the date of the disqualification.
- 3. If a judge declares a person disqualified because of a failure to disclose a conflict of interest contrary to the Act, and the judge finds that the contravention resulted in personal financial gain, the judge may require the person to pay an amount equal to the amount of that gain to either the City or any person who, in the judge’s opinion, is appropriate.
