NOTE: GST will be added to all of the above rates for equipment rentals.

All City equipment used for custom work will be used as per the discretion of the Director of Public Works and Planning Services and under the following provisions:

- a. All equipment will be operated by a Public Works Employee (unless otherwise waived by the Director of Public Works and Planning Services) at a rate of the employees hour wage plus 30% for overhead costs.
- b. All equipment and staff will be charged out at a minimum of 2 hours; including rentals to City personnel and management.
- c. All equipment used for custom work outside of normal business hours, Monday through Friday 7:00 a.m. to 4:00 p.m., and on weekends, stat holidays and earned days off (EDO's) shall be charged a minimum of 2 hours and at the overtime rate for staff.
- d. Anyone renting equipment that does not require the operation of City personnel shall fill out and sign a rental agreement, Appendix A.
- e. Mileage rates for light and heavy trucks are as follows:
 - Light Trucks (1 ton and under) – current provincial mileage rate per km;
 - All Other Trucks – double the current provincial mileage rate per km.

4. Porta Potty

\$100.00 per function day within City limits. Delivery, pickup and clean out is included in the rate.

5. Sewer and Water Connection

All water and sewer connections require a pre-payment of \$3,000.00. Each water and sewer connection shall be billed out at a cost of \$70.00 per linear foot plus GST less the \$3,000.00 pre-payment. If the actual cost of the connection is less than the \$3,000.00, the difference will be refunded to the customer.

For the time period of November 15 through April 15 of each calendar year water and sewer connections shall be billed at a cost of \$ 170.00 per linear foot plus GST.

6. Bulk Water Rates

Water(1 cubic meter equals 220 gallons)	\$4.52 per cubic meter
---	------------------------

7. Residential Septic Waste Discharge Fees

Discharge of residential septic waste to a maximum of 600 gallons	\$60.00
Discharge of residential septic waste over 600 gallons	\$60.00 plus \$15.00 for every 100 gallons over 600 gallons

8. Land Rental

Pasture Land	\$27.60 per acre
Cultivated Land	\$36.40 per acre
Minimum charge per land rental/per lot	\$100.00

City Council may by resolution reduce the said rates in consideration of services, improvements to and/or upgrading of said land.

All land tenancies shall be reviewed yearly by Council during each winter season, and at the discretion of Council all continuing tenants shall be sent a rental renewal in March of each year for the current years land rental charges. If the rental charges have not been paid by the middle of April, the land lease will be terminated effective April 30th of the same year and the land will be advertised for rent.

All tenants shall be notified within the rental renewals that they shall and will not assign any portion of the term of their lease, nor sublet any portion of the land to any other person without written permission of City Council.

9. Commercial/Industrial Land Rental

All commercial land shall be rented out at a yearly rate of 10% of the assessed value plus the equivalent of all current taxes.
