Note: PST and GST will be added to all of the above rates for equipment rentals where applicable.

All City equipment used for custom work will be used as per the discretion of the City of Melville management and under the following provisions:

- (a) All equipment and vehicles for custom work and bylaw enforcement will be operated by a certified and approved City of Melville employee (unless otherwise waived by the Director of Public Works and Planning Services) at a rate of the equipment and employee's hour wage plus 30% for overhead costs.
- (b) If the City is required to hire a contractor to assist in custom work or bylaw enforcement, the costs associated with completing the works shall be billed to the property owner, plus a 15% administrative fee.
- (c) Any costs associated with work completed for bylaw enforcement is the responsibility of the property owner, such as but not limited to; landfill tipping fees, tow truck fees, pest control, washing, impound fees, etc.
- (d) Hand tools may be rented out under the discretion of the Public Works Director or Manager and charged rates as per this bylaw.
- (e) All staff will be charged out at a minimum of 2 hours, and all equipment is charged out at a minimum of 1 hour.
- (f) All City staff required to complete custom work or bylaw enforcement outside of normal business hours (Tuesday through Friday 6:30 a.m. to 5:00 p.m.), on weekends or stat holidays shall charge a minimum of three (3) hours at the overtime rate for staff and two (2) hours for equipment.
- (g) Anyone renting equipment that does not require the operation of City personnel shall fill out and sign a rental agreement (Appendix A) and is responsible to pay for all lost/stolen or damages to equipment, this may include the entire replacement of the equipment.
- (h) For out of City Use, mileage rates for light and heavy trucks are as follows:
 - i. Light Trucks (1 ton and under) – current provincial mileage rate per km;
 - ii. All Other Trucks and equipment – Hourly rates will apply, with a minimum of one hour. All applicable taxes are extra.
- (i) All small equipment will be full of fuel upon rental, equipment returned empty will be charged to fill the

equipment to full at the rates stated within this bylaw. All custom work fuel is included in the equipment rate.

- (j) In town delivery and pickup of any equipment will be subject to a \$75.00 charge per trip.

3. PORTA POTTY

- (a) Porta Potty’s are not available for rental outside of City Limits.
- (b) \$200.00 per day within City limits.
Delivery, pickup and clean out is included in the rate.

4. SEWER AND WATER CONNECTION

All water and sewer connections require a pre-payment of \$2750.00. Each individual water and sewer connection shall be billed out at a cost of \$195.00 per linear foot plus GST and PST as applicable less the \$2,750.00 pre-payment. If the actual cost of the connection is less than \$2750.00, the difference will be refunded to the customer. If the water service and sanitary service is replaced/repaired at the same time in a common trench, the cost for each service line will be billed out at a rate of \$155.00 per linear foot plus applicable taxes. Minimum costs for replacement of water service or sanitary service is 2750.00.

The normal work period for installation or replacement of service connections is from May 15 through November 15 of each calendar year, except in emergency situations. If the customer requests the City to replace the service line(s) outside of frost-free conditions, each water and sewer connections replacement shall be billed at a cost of \$295.00 per linear foot plus GST and PST as applicable.

Relining existing Sanitary Service shall be billed at a rate of cost recovery per linear foot and will require a pre-payment of \$3,000.00. Minimum costs for replacement of water service or sanitary service outside of frost-free conditions is 3,000,00.

5. CURB REMOVAL

Where a Schedule N “Driveway or Approach Application” is approved under the Traffic Bylaw, the City may coordinate curb removal at the cost of the property owner at the following rates:

Saw Cut	\$50.00 per foot (after 12’)
Curb & Gutter Removal	\$50.00 per foot (after 12’)
Curb & Gutter Replacement	\$98.00 per foot
Sidewalk Removal	\$50.00 per linear foot
Sidewalk Replacement	\$28.25 per square foot

All rates are subject to GST and PST

Any full removal of curb, gutter and/or sidewalk structure not replaced/repoured within a given 6 weeks may result in the City completing the work at the cost of the property owner.
Any work undertaken by private contractors shall conform to City standards and specifications and is the responsibility of the

applicant/property owner. Any cost of remedial work undertaken by the City will be the responsibility of the property owner.

6. LAND RENTAL

Pasture Land / Hay land	\$32.00 per acre
Cultivated Land	\$42.00 per acre
Minimum charge per land rental/per lot	\$100.00

City Council may by resolution reduce the said rates in consideration of services, improvements to and/or upgrading of said land.

All land tenancies shall be reviewed yearly by Council during each winter season, and at the discretion of Council all continuing tenants shall be sent a rental renewal in March of each year for the current years land rental charges. If the rental charges have not been paid by the middle of April, the land lease will be terminated effective April 30th of the same year and the land will be advertised for rent.

All tenants shall be notified within the rental renewals that they shall and will not assign any portion of the term of their lease, nor sublet any portion of the land to any other person without written permission of City Council.

7. COMMERCIAL/INDUSTRIAL LAND RENTAL

All commercial land shall be rented out at a yearly rate of 12% of the assessed value plus the equivalent of all current taxes.
