## LOCAL TRAFFIC ROAD CLOSURES AND DETOURS

### VANIER DRIVE

### 100 BLOCK OF 7TH AVENUE WEST

### Road Closure Timeline

(Weather permitting)

#### Vanier Drive

(7th Avenue to Montreal Street)

- Starting September 23
- Duration 1-2 Weeks

#### 100 Block of 7th Avenue West

- Starting October 5
- Duration 1 Week

### Alternate Parking Locations

#### Vanier Drive

- During road construction, residents will need to use street parking on 7th Avenue or Vanier Drive (past the Montreal Street intersection).
- Back alley parking
  - behind your property if space allows
  - additional parking available in the green space east of back alley

#### 100 Block of 7th Avenue West

- During road construction, residents will need to use street parking on 7<sup>th</sup> or 8<sup>th</sup> Avenue. Back alley parking may also be used where space allows.
